# SUMMARY

The Impact Report summarizes and highlights the key achievements, outcomes, and effects of our organization and initiative in Advocacy, Education, and Partnership and Events.

**Advocacy:** CBHA sponsored/co-sponsored 10 bills, with 7 passing both legislative houses and 6 signed by the Governor. We were actively involved in over 20 legislative hearings and numerous meetings with DHCS, as well as 50+ advocacy days meetings.

The Education section highlights the various workgroups, committees, and other educational offerings to our members.

The Partnership and Events section highlights various sponsored events and outreach activities.

We are grateful to our various members and external partners who have collaborated with us to make in IMPACT in 2023!
